

RESOLUTION 2010-19

AUTHORIZING DECLARATIONS OF OFFICIAL INTENT UNDER U.S. TREASURY REGULATIONS WITH RESPECT TO REIMBURSEMENTS FROM NOTE AND BOND PROCEEDS OF TEMPORARY ADVANCES MADE FOR PAYMENTS PRIOR TO ISSUANCE, AND RELATED MATTERS.

WHEREAS, United States Treasury Regulations §1.150-2 (the “Reimbursement Regulations”) prescribe conditions under which proceeds of bonds, notes or other obligations (“Bonds”) used to reimburse advances made for capital and certain other expenditures (“Original Expenditures”) paid before the issuance of such Bonds will be deemed to be expended (or properly allocated to expenditures) for purposes of Sections 103 and 141-150 of the Internal Revenue Code of 1986, as amended (the “Code”), upon such reimbursement so that the proceeds so used will no longer be subject to requirements or restrictions under those sections of the Code; and

WHEREAS, certain provisions of the Reimbursement Regulations require that there be a Declaration of Official Intent not later than 60 days following payment of the Original Expenditures expected to be reimbursed from proceeds of Bonds, and that the reimbursement occur within certain prescribed time periods after an Original Expenditure is paid or after the property resulting from that Original Expenditure is placed in service; and

WHEREAS, the CITY OF LAKE WALES wishes to take steps to comply with the Reimbursement Regulations;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF LAKE WALES (THE “BORROWER”) AS FOLLOWS:

Section 1. Definitions. The following definitions apply to the terms used herein:

“Authorized Officer” means the City Manager or any person designated for the purpose by the City Manager.

“Declaration of Official Intent” means a declaration of intent, in the form, manner and time contemplated in the Reimbursement Regulations, that the advances for expenditures referred to therein are reasonably expected to be reimbursed from the proceeds of Bonds to be issued after those expenditures are paid.

“Reimbursement” or “reimburse” means the restoration to the Borrower of money temporarily advanced from its own funds and spent for Original Expenditures before the issuance of the Bonds, evidenced in writing by an allocation on the books and records of the Borrower that shows the use of the proceeds of the Bonds to restore the money advanced for the Original Expenditure. “Reimbursement” or “reimburse” generally does not include the refunding or retiring of Bonds previously issued and sold to, or borrowings from, unrelated entities.

Section 2. Authorization and Requirement of Declarations of Official Intent. Each Authorized Officer is authorized to prepare and sign Declarations of Official Intent in substantially the form attached with respect to Original Expenditures to which the Reimbursement Regulations apply, to be made from money temporarily advanced and that is reasonably expected to be reimbursed (in accordance with applicable authorizations, policies and practices) from the proceeds of Bonds, to make appropriate reimbursement and timely allocations from the proceeds of the Bonds to reimburse such prior expenditures, and to take any other actions as may be appropriate, all at the times and in the manner required under the Reimbursement Regulations in order for the reimbursement to be treated as an expenditure of such proceeds for purposes of Sections 103 and 141 to 150 of the Code. No advance from any fund or account or order for payment may be made for Original Expenditures (other than expenditures excepted from such requirement under the Reimbursement Regulations) that are to be reimbursed subsequently from proceeds of Bonds unless a Declaration of Official Intent with respect thereto is made within the time required by the Reimbursement Regulations.

Enacted this 5th day of October, 2010 by the City Commission of the City of Lake Wales.

Mayor/Commissioner, City of Lake Wales

INSTRUCTIONS
for
DECLARATION OF OFFICIAL INTENT
for
Reimbursement From Tax-Exempt Bonds/Notes

PURPOSE

The form to which these instructions pertain is intended for use under Treasury Regulations §1.150-2 (the "Reimbursement Regulations") in order that capital and certain other expenditures paid with moneys temporarily advanced from other funds that are reasonably expected to be reimbursed from proceeds of subsequently issued notes, bonds or other obligations ("Bonds") may qualify for such reimbursement. Failure to comply can result in the inability for federal income tax purposes to treat proceeds of the Bonds used to reimburse the expenditures as spent for arbitrage/rebate purposes. With certain exceptions for qualified "preliminary expenditures" and certain de minimis expenditures, a Declaration of Official Intent must be made not later than 60 days after payment of any expenditure expected to be reimbursed from proceeds of Bonds. Declarations of Official Intent should not be made systematically for all expenditures or in exaggerated amounts regardless of actual expectations, but only when it is realistically expected that the expenditure will be reimbursed from the proceeds of Bonds. In general only capital expenditures can be reimbursed from the proceeds of Bonds. "Capital expenditures" include (subject to any more restrictive state law) any costs related to the acquisition or construction of land or interests in real estate, buildings, structures, additions thereto, or other permanent improvements, and restoration or betterments made to increase the value of property or substantially prolong its useful life, and machinery, equipment, furniture and fixtures or other property having a useful life of at least one year or such longer period as is required by applicable state law. Costs of issuance of the Bonds are capital expenditures. Certain other expenditures also qualify for reimbursement. The Regulations do not apply to, and this form is not needed in connection with, the use of proceeds of Bonds to finance expenditures paid on or after the date of issuance of the Bonds. This form also generally is not needed in connection with the issuance of Bonds to refinance external borrowings (taxable or tax-exempt).

INSTRUCTIONS

These instructions are based on the Reimbursement Regulations currently in effect. The references are to the particular paragraphs on the form of Declaration of Official Intent.

Paragraph 1. Insert the anticipated maximum principal amount of Bonds expected to be issued for the Project. The amount should include the maximum principal amount of all Bonds to be issued for the Project (i.e., Bonds for reimbursement of prior expenditures and Bonds to finance expenditures to be paid on or after the date of issuance of the Bonds). A Project includes any property, project, or program (e.g., highway capital improvement program, hospital equipment acquisition, or school building renovation).

Paragraph 2. The general description of the capital expenditures to be reimbursed may be set forth in one of two ways -- either by a functional description of the property, project or program for which the expenditures are made --

Examples--"highway capital improvement program"; "street and bridge improvements"; "hospital equipment acquisition"; "school buildings renovation";

or by identification of the fund or account from which the money will be advanced to pay the expenditures that will be reimbursed subsequently from Bonds, and a statement of the general functional purpose of that fund or account --

Example--“parks and recreation fund, the general functional purpose of which fund or account is recreational facility capital improvement program.”

The second option concerning identification and description of the fund can be used where the fund purpose, in effect, describes the generic purpose of the project, property or program, such as a waterworks improvement for which money is advanced from the water utility capital improvement fund. If the money is to be advanced from a general purpose fund such as the general fund or a capital improvements fund that is available for any type of capital improvement, use the first option by stating the generic function of the project, property or improvement.

501(c) Organizations. If the proceeds of the Bonds will be loaned to a 501(c)(3) organization, either the 501(c)(3) organization or the issuer of the Bonds may make the Declaration with respect to expenditures of the 501(c)(3) organization that are to be reimbursed.
