Agenda Item 12. Extension of Time - Approval of Preliminary PDP Plan, Villa Ridge Townhomes – North Side of Burns Avenue

[Begin Agenda Memo]

SYNOPSIS

Florida Community Bank is requesting an extension of time on the approval of the plan for Villa Ridge Townhomes, a 45-unit development on the north side of Burns Ave. The bank took ownership of the property in 2013. The Planning & Zoning Board recommends approval.

RECOMMENDATION

At its meeting September 23, 2014, the Planning and Zoning Board voted unanimously to recommend approval of a one-year extension of time for the Villa Ridge Townhomes PDP (planned development project) approval, as shown on the plan entitled Villa Ridge Townhomes, dated 6/7/06.

BACKGROUND

Villa Ridge was approved by the City Commission on June 20, 2006 just prior to the downturn of the housing market. The approval has been extended annually since that time. The zoning regulations limit extensions to one year. The plan shows 45 townhouses on a terraced 7.6-acre property on the north side of Burns Ave. (See attached reduced plan.) The site is in the 500 block just west of High Point Church.

Mr. Larry Benton Director of REO at Florida Community Bank stated in his application that the "The bank wishes to target developers and local investors with the strength to complete the project as envisioned, and having these approvals extended will greatly enhance our ability to attract such a user." Realtor Larry Bossarte is representing the Florida Community Bank on this request. The Planning Board recommends approval of the extension, finding that the plan is well thought out and there have been no significant changes in the neighborhood conditions or the PDP regulations since the initial approval.

A reduced copy of the plan is attached for your information. Any significant change in the plan or conditions would require City Commission approval upon recommendation by Planning Board. No changes have been proposed or recommended.

OTHER OPTIONS

Decline to extend the approval.

STAFF RECOMMENDATION

It is recommended that the City Commission consider taking the following action:

1. Approve the award of bid for the Utilities Parking Facility to Tucker Construction and Engineering
2. Authorize the City Manager to execute the appropriate documents, on the City's behalf.

BACKGROUND

The facility will house all equipment needing shelter to minimize damage being done by the outside elements. The project went out to bid and had a bid open date of September 18, 2014. There were three responsive bidders to which Tucker Construction and Engineering was the lowest responsive bidder. Staff, therefore recommends the commission give approval for the city manager to execute all appropriate documents and approve the award of bid to Tucker Construction and Engineering for the construction of the Utilities Parking Facility in the amount of \$187,171.00.

OTHER OPTIONS

Chose not to allow the parking facility to be built at this time and continue to have equipment at the mercy of the elements.

FISCAL IMPACT

The City Commission approved Ordinance 2014-14 after first reading on September 16, 2014. Public hearing notice requirement has been met.

The adoption of the Resolution also approves, for purposes of Section 147(f) of the Internal Revenue Code, the future issuance of the Public Finance Authority Bonds.

BACKGROUND

The City previously issued the Series 2008 Bonds pursuant to an Indenture of Trust dated as of April 1, 2008 to generate funds to make a loan to Water's Edge of Lake Wales, LLC, a Florida limited liability company (the "Borrower"), for the purpose of financing and refinancing the senior living facilities (the "2008 Project") described in the Resolution. The 2008 Project was completed. The Borrower has now reached an agreement with the other parties to the 2008 Bond transaction to implement the Amendments and to have the National Church Residences, with management experience and liquidity support, assist the Borrower and become obligated to provide certain management activities and financial backing for the Series 2008 Bonds.

A hearing was held by the City Commission on March 18, 2014 regarding the reissuance of the Series 2008 Bonds. The City initially approved the reissuance pursuant to Resolution No. 2014-06 adopted March 18, 2014.

The 2014 Project is also to be owned by the Borrower. National Church Residences, a nonprofit Ohio corporation, is undertaking the sponsorship and management of the 2014 Project from the Public Finance Authority.

Adoption of the Resolution shall not be construed as an approval of any necessary rezoning applications or for any other regulatory permits relating to the 2014 Project.

The City's adoption of the Resolution shall not be construed to:

- a) Attest to the Borrower's ability to repay the indebtedness represented by the Public Finance Authority Bonds.
- b) Have waived any right of the City or stop the City from asserting any rights or responsibilities it may have in that regard.

The Resolution grants the final authority for the reissuance of the Series 2008 Bonds and approves the issuance by the Public Finance Authority.
