A portion of the cost to provide such fire protection services, facilities, or programs shall be funded from proceeds of the Fire Protection Assessments. The remaining cost required to provide fire protection services, facilities, and programs shall be funded by legally available City revenues other than Fire Protection Assessment proceeds.

(B) It is hereby ascertained, determined, and declared that each parcel of Assessed Property located within the geographic area of the City will be benefited by the City's provision of fire protection services, facilities, and programs in an amount not less than the Fire Protection Assessment imposed against such parcel, computed in the manner set forth in this Preliminary Assessment Resolution.

(B) The estimated Fire Protection Assessments to be assessed and apportioned among benefited parcels pursuant to the Cost Apportionment and Parcel Apportionment to generate the estimated Fire Protection Assessed Cost for the Fiscal Year beginning October 1, 2019, are hereby established as follows for the purpose of this Preliminary Assessment Resolution:

Initial Fire Protection Assessment Rates (45.25% of Assessable Costs)

Residential Property Use Categories	Rate Per Dwelling Unit
Single-Family	\$146.00
Multi-Family	\$72.00
Mobile Home	\$129.00
Non-Residential Property Use Categories	Rate Per Square Foot
Commercial	\$0.06
Industrial/Warehouse	\$0.01
Institutional	\$0.08

The Estimated Gross Revenue for Fiscal Year 2019-20 is \$1,152,830; estimated exempt buy-down is \$127,926; Estimated Net Revenue therefore is \$1,024,904.

(C) No Fire Protection Assessment shall be imposed upon a parcel of Government Property or upon Buildings located upon parcels of Institutional Property whose Building Use is wholly exempt from ad valorem taxation under Florida law; however, Government Property that is owned by federal mortgage entities such as VA and HUD shall not be exempt from the Fire Protection Assessment.

(D) Any shortfall in the expected Fire Protection Assessment proceeds due to any reduction or exemption from payment of the Fire Protection Assessments required by law or authorized by the City Commission shall be supplemented by any legally available funds, or combination of such funds, and shall not be paid for by proceeds or funds derived from the Fire Protection Assessments. In the event a court of competent jurisdiction determines any exemption or reduction by the City Commission is improper or otherwise adversely affects the validity of the Fire Protection Assessment imposed, the sole remedy shall be the imposition of a Fire Protection Assessment upon each affected parcel of Assessed Property in the amount of the Fire Protection Assessment that would have been otherwise imposed save for such reduction or exemption afforded to such parcel of Assessed Property by the City Commission.

(E) The approval of the Estimated Fire Protection Assessment Rate Schedule by the adoption of this Preliminary Assessment Resolution determines the amount of the Fire Protection Assessed Costs. The remainder of such Fiscal Year budget for fire services, facilities, and programs shall be funded from available City revenue other than Fire Protection Assessment proceeds.

(F) The estimated Fire Protection Assessments specified in the Estimated Fire Protection Assessment Rate Schedule are hereby established to fund the specified Fire Protection Assessed Costs determined to be assessed for the Fiscal Year 2019-20. No portion of such Fire Protection Assessed Costs are attributable to impact fee revenue that funds capital improvements necessitated by new growth or development. Further, no portion of such Fire Protection Assessed Costs is attributable to the Emergency Medical Services Cost. The remaining costs required to provide fire protection services, facilities, and programs shall be funded by available City revenues other than Fire Protection Assessment proceeds.

(G) The estimated Fire Protection Assessments established in this Preliminary Assessment Resolution shall be the estimated assessment rates applied by the City Manager in the preparation of the preliminary Assessment Roll for the Fiscal Year commencing October 1, 2019, as provided in Section 10 of this Preliminary Assessment Resolution.

Section 10. Assessment Roll.

(A) The City Manager is hereby directed to prepare, or cause to be prepared, a preliminary Assessment Roll for the Fiscal Year commencing October 1, 2019, in the manner provided in Ordinance 2008-26. The Assessment Roll shall include all Assessed Property. the estimated amount of the Fire Protection Assessed Cost to be recovered through the imposition of Fire Protection Assessments, and the preliminary Assessment Roll shall be maintained on file in the Office of the City Manager and open to public inspection. The foregoing shall not be construed to require that the preliminary Assessment Roll be in printed form if the amount of the Fire Protection Assessment for each parcel of property can be determined by the use of a computer terminal available to the public.

(C) It is hereby ascertained, determined, and declared that the method for determining the Fire Protection Assessments for fire protection services as set forth in this Preliminary Assessment Resolution is a fair and reasonable method of apportioning the Fire Protection Assessed Cost among parcels of Assessed Property within the City.

Section 11. Authorization of Public Hearing.

Section 14. Method of Collection.

It is hereby declared that the Fire Protection Assessments imposed on parcels of Assessed Property in the City shall be collected pursuant to the Uniform Assessment Collection Act for the Fiscal Year commencing October 1, 2019.
