

## **MEMORANDUM**

---

October 15, 2014

**TO:** Honorable Mayor and City Commission

**VIA:** Kenneth Fields, City Manager

**FROM:** Jennifer Nanek, Assistant to the City Manager

**RE:** Approval of Application for FRDAP Grant Funds to install additional lighting at the Soccer Complex on Hunt Brothers Rd.

**SYNOPSIS:** This is a grant application for \$150,000 towards improvements to the Soccer Complex on Hunt Brothers Road. These funds will be for additional lighting on two fields. Deadline for submittal is October 31. There is a \$50,000 match requirement which can be spent next fiscal year.

### **RECOMMENDATION**

Staff recommends that City Commission take the following action:

1. Approve the Florida Recreation Development Assistance (FRDAP) grant application to be submitted to the Department of Environmental Protection for lighting improvements to the Soccer Complex.
2. Authorize the City Manager to execute the applications on the City's behalf.

### **BACKGROUND**

When the Soccer Complex was completed in 2008 only 25% (approximately) of the necessary field lighting was installed. As a result, the majority of the complex is not usable after daylight hours. The fields that are currently lit require much more maintenance as they are overused due to the unavailability of the lights on the remaining fields. This next phase of lighting will be strategically installed in the center of the complex in an effort to light as many of the fields as possible, maximizing the dollars spent. This complex facilitates recreation for approximately 600 children annually.

This application is for the first phase of an effort to light all of the fields. If awarded, the City will receive the grant agreement in July 2015. The 25% required match can be spent in the next fiscal year. If this effort is successful, Phase 2 will be applied for in the future to complete the lighting of the fields.

### **OTHER OPTIONS**

Do not submit the application.

**FISCAL IMPACT**

A match of \$50,000

(STATE GRANT)**

**PREPARED BY**

**CITY OF LAKE WALES  
FINANCE DEPARTMENT**

**Nature of Statement and Information Disclosed**

This is a statement of fiscal impact has been performed as required by and in accordance with Section 2-802, Article VIII of the City of Lake Wales Code of Ordinances. It is a statement solely for the purpose of analyzing and reporting the fiscal impact on the City of either applying or not applying for this grant, using certain assumptions as indicated herein. No attempt is made to evaluate the Grant Application for suitability to City objectives.

In order to provide an unqualified statement of fiscal impact that can be certified as reasonably full and complete by the Finance Department, certain information must be provided permitting Finance Department personnel to produce a full and complete determination as to all anticipated fiscal impacts. This impact statement was produced using:

- **Memorandum from Jennifer Nanek, Special Projects Manager**
- **FRDAP FY 2015'16 Grant Application Package**

This impact statement represents, in our unqualified opinion, a valid estimate of known present or future impacts anticipated to result from the acceptance of the aforementioned grant.

In some cases, the nature of a fiscal impact is described rather than stated using specific dollar amounts or figures. This is done in order to provide information on the nature of the expected fiscal impact where there simply is not enough information to quantify the impact, or whether the exact amount of the impact depends on the exact type of future events or conditions.

**General Assumptions**

A fiscal impact statement constitutes a forward-looking statement on the acceptance of grant funds and the proper execution of all requirements as set forth in any grant application, agreement, covenants attached to real or tangible property, or other duly enforceable stipulations. In order to produce such a statement, assumptions about future events and conditions must be made.

In any case where a reasonable expectation of a future condition or event has been disclosed or is already known to Finance Department personnel, that information has been used as an Assumption in the fiscal impact statement. Expectations not known or not considered reasonably expected to occur have been excluded from the fiscal impact statement. If an event or condition may occur which would have a material and *direct* fiscal impact, but is not reasonably expected to occur, it is disclosed in the fiscal impact statement.

General Assumptions are made in this fiscal impact statement that the City Staff executing the grant program already possess the required knowledge and expertise to expertly perform all of the requirements of the grant, and that the information provided to prepare this impact statement is true and correct. It is also assumed that no outside events will create a positive or negative influence on the grant program, and that there will be no changes in the legal, operational, or economic environment in which the grant program, and the City as whole, operates, except as disclosed herein.
